

Wildwood Bushcraft Course Location – Glen Nevis

We have permission from Scottish Natural Heritage and the land owner to use a beautiful tract of native woodland in Glen Nevis. The maps below show the car park which is the meeting point for this venue – there is a small daily charge for this car park.

Please await the instructor in the car park (grid ref: NN 145 683)

If you have any problems finding us, or are delayed, please call the instructor on 07709 031715.
